INCENDIARY FIRE.—Farly yesterday money of this theater, its representations last seeson having First sts., E. D., occupied by the United Piano Manu-

peradoes called at the residence of a respectable widow, in the Eastern District, and represented themselves to be Deputy Provost-Marshals in search of deserters. The lady admitted them to the house unsuspectingly, when they fastened the hall and back doors, and finding the lady alone, committed a fiendish outrage upon her per-son and decamped. The wretches are known to the Police, and will probably be arrested this morning.

ber of buildings erected in Brooklyn during the past year was 1,113, of which 500 were of brick, 439 of Wood, 7 factories, and 15 storehouses.

LATING A CORNER-STONE FOR A MASONIC HALL.-The ceremony of laying the corner-stone for a new Masonio Hall, tock place at Washington Village. Hudson County, on Tuesday afternoon, at which all the Grand Officers of the State were represented. Notwith of the Society, who, after a few remarks upon the objects that the remaining from the society in San Gerson of the Society, who, after a few remarks upon the objects and the custom-house was shot. The label sated that the state of the meeting, read the following preamble and reach the state of the weather, the craft formalism land forces had invaded the northern part of Crugany.

The announcement that Paraguay could not look within difference on an occupation of Urograpy by Erari does not seem to have produced much offect. We are looking daily for the next step of Paraguay is this affair. Various grumors are rife, which I need not write, but it seems inevitable that Uruguay must be among the stranded republies.

A most distressing event occurred in the American bounds after the stroke and bunds and in less shan fire minutes ecissed to breathe. It must have been, so say the doctors, a disease of the heart. The whole community has most seriously felit the stroke, and handreds at its and the stranded republies.

The minutes ecissed to breathe. It must have been, so say the doctors, a disease of the heart. The whole community has most seriously felit the stroke, and handreds at the stroke, and handreds at the stroke and bunds read and the funeral in private life has ever been so largely matered. The mother of Jennie resides in Deleware, Ohto.

Some efforts of the Methodist Episcopal Church forward extension are abount to be made. Rev. Thomas Carter will go this week to open a new work in Rose.

This is an important place, and there is no doubt of good success. Another work plas been offered to that society in San Carlos, in the province of Santa Fe, Where it was a collection of the society on San Carlos, in the province of Santa Fe, Where it was collected from the society in San Carlos, in the province of Santa Fe, Where it was a collection of the society of the san important place, and there is no doubt of good success. Another work plas been offered to that society in San Carlos, in the province of Santa Fe, Wher

Council of Jersey City, at their meeting on Tuesday night, passed a resolution offering bounties to volun-teers, payable in city bonds, as follows: Three years' men, \$500; two years' men, \$400; one year men, \$100. The following named Aldermen were appointed special committee on emissioner: Aldermen Gafney Decker, Terry, Pangbora, Gaiddis and Kane. The quota on the last call will be about 500 men.

three o'clock yesterday morning a barn belonging to John Scarles, on the Westfield turnpike, near Elizabeth, N. J., was destroyed by fire, together with two cows, a horse, and a quantity of hay and grain. The loss amounted to neward of \$1.000, partially insured. The fire is supposed to be the work of an incendiary.

PRESENTATION .- Capt. Caffrey of the Fifteenth Precinct, was last evening, at the Hone House, corner of Broadway and Amity-st., presented with a splendid gold watch and shain and a United States bond for \$1,000 by the citizens of the Fifteenth Ward. Councilman Lent introduced the Hon Erastus Benedict, who made the presentation speech. He referred at some length to the services of the Metropolitan

lowly by words of sympathygand deeds of charity; how the returned soldier, sick and suffering is visited and relieved; how the intemperate husband is reclaimed by stirring up the discouraged wife, to new contious to make home happy and attractive; how orphaus are provided with good places, now mission stations and mission Salbain schools, and other means are employed for the instruction of the ignorant and the diffusion of these principles which lie at the foundation of all that is noble in character and beautiful in society. The liev. Peter Stryker, the gastor of the church, in a few right carnest words told of his appreciation of the work, and glving a few facts from his own observation, illustrating the value of personal effort, closed with a stirring appeal for redeforcements of men and means. The statistical tables among other items, present the following figures: 72,000 Tracts distributed; 117 libbles and Testaments given; 301 books leaved, 3e3 children and youth into Salbath schools. Bible classes and Public schools: 43e persons to church; 19 Temperance pledges; 290 meetings; 8 backsilders reclaimed, and 15 persons united with churches.

A NEW PHASE OF SWINDLING .- Loths Leon. THE KINGS COUNTY REPUBLICAN GENERAL ham Contail of No. 71 Poreyth-st. The complainent

at which a committee was appointed to confer with the several Democratic organizations in the City of Brooklyn, with the view of consolidating the party, which has been divided in several factions for some years past. The Conference Committees are to meet on Friday evening next.

Suicide By Poisoding.—Coroner Naumann held an inquest at the residence of Mr. Jacob Mara. No. 32 Rose-st., on the body of Joseph Butterhof, whose evening next. death was caused by an overdess of opium, administered by himself. Decased for some time past had been death was caused by an overdess of opium, administered by himself. Decased for some time past had been suffering from depression of spirits, having been twice and fine the water for about an hour half, when the forecopment, mainment and missen. He had often gave way, carrying the Captain with them. She been cured of belduar by the second rejected as a soldier on a coconar of physical deablity.

RUN OVER AND KILLED.—A boy named Herman and being unable to obtain employment. He had often send and righted, her decks amidalipe sing under water, and the two ends about two bors the see, which was clean over her the whole here the see, which was clean over her the whole here the see, which was clean over her the whole here the see, which was clean over her the whole man for the car, named Martin Zeuner, and he died soon after. A vertice of "middle to obtain employment. He had often the deed. When found he was in an unconscious condition. Restoratives were applied, but without small, but we want as an unconscious condition. Restoratives were applied, but without small the space in the much respect deemed independent. He was a suided to commit suicide, but his threats were untreated to commit suicide, but his threats were applied, but without small too. Restoratives were applied to

Those continues who desire to give their tady friends great ratification by presenting them with elegant and useful arti-iles, caused do better than visit the celebrated establishment WALLACE'S TERATER.-Lovel's comedy, of KNOI. No. 313 Broadway, corner of Fulton-at. This gentleman is well known for the fasteful hate he introduces the vast number and varied style of head covering with which it is stocked; and inatural, as New Year's is close at hand, and men and hoys will be anxious to look well, we recommend this establishment as the very place where this may be satisfactorily accomplished. But there are other articles here, equally worthy the attention of gentlemen who, as we have remarked, desire to make their lady friends hoppy, and promote their perponal confort by accounting them. Whenever this young lady trusts purely to the simplicity effect, she is sure of winning the most flattering recog nition. In her youth and presence she has qui and of the most beautiful description. The prices of course vary according to the quality and kind, but they are offered at which spare her all necessity of recourse to the bake artifices of the stage. If she employ her advantages a she should do, rare opportunities await her. If all mistake the true meaning of her vocation, as we have sometimes feared she has been tempted to do, we shall other kinds—is quite large; and there are some nice, comforts-ble ladies' fur hoods which are about us neat and pretty as can have to regret the mis-application of as bright a talent contibly be made. KNOX is one of our most enterprising as has enlivened the dramatic community within our recollection. Her performance last evening showed al-BOOTS.

named George Smith, steward, of Liverpool, Gilbert

Duncan, a seaman, of Shetland, and John Johnston, a seaman of Guttenberg, Norway; the remaining ten, whose names we have not learned, had periabed. The work was the British bark Burnella of Greenoch. When first seen she had her fore lower mast standing and part of the rigging, also the lower misson-mast. The extreme fore and at part of her seemed to be occasionally above water, but the whole main deak was immersed and the sea making a clean breach over her. Upon approaching her, the three men were seen standing by the radder-poet, and occasionally immersed in the water. Their condition was most deptorable, having by the radder-poet, and occasionally immersed in the water. Their condition was most deptorable, having scarcely any clothing about them, except song pieces of old sail tied with bits of agun yarn. Their leach, and particularly their arms, feet and logs, were swelled and of a putrid appearance—in some pinces broken out in boils; and they were so weak and exchanged that it was only with great exertion, and the stander than their strival in this port were convalencent and able to realise strival in this port were convalencent and able to realise the statements of these men it appears they len.

malety, they were kindly cared for by Dr. Riack, and on their arrival in this port were convalencent and able to walk about.

From the statements of these men it appears they left Naw York for Greenoch, laden with oat timber, with a crew of thirteen all told, on the 8th of November. They had fine weather up to the morning of December? When it blew a strong gale from the south-west, with high we waster up to the morning of December? When it blew a strong gale from the south-west, with high we waster to be the crew were quartered. They lost one of the two boats, and the bulwarks were washed away. They wore thus left without the means of cooking tood, and without shelter. The bark was then hove to under close receid main-topsall and all handsfwere kept constantly at the pumps, where they were lashed. She had at this bare pai before the wind, when ahe foll ever on her beam-ends, harving the hatches and main deck, carrying away the remaining boat and the dock cobin, with all the stores, and, as every one was a dock as the time, all were washed overboard.

Bit managed to get on board again, the remaining boat and the main rigging. The dight she had but just above water; the second mate get into the fore-inging, and the three sawritors, with a boy, were enabled to get into the misson rigging. The dip remained on her beam ends with her masts and loose sails in the water for about two lasts above the case, which went clean over her the whole sell being under water, and the two ends about two lasts above the case, which went clean over her the whole sell being under water, and the two ends about two lasts above the case, which went clean over her the whole was come released and righted, her decks smidhly sell being under water, and the two ends about two lasts above the case, which went clean over her the whole was come released and righted, her decks smidhly sell being under water, and the two ends about two lasts above the case, which went clean over her the whole was charactering the Capitain with them. BUENOS AYMES, S. A., Oct. 20, 1024.

The coils are tightening around the unfortunate Republic of Uruguay. I wrote you recently that subjugation was about certain, and the only question remaining was a choice of matters. It seems now the series of the British Cousul.

The tree men are now landed and will probably be in charge of the British Cousul.

There was a special meeting of the New-England and Flores had come up to the capital with 4,000 troops. Society at the Aster House, yesterday, at noon, in and that it was in a defenseless state. The Vicar-respect to the memory of the late President of the Socicty. Wm. Curtis Noyes. The meeting was called to Flores to spare the effusion of blood, and the reply was order by Elliot C. Cowden, esq., second Vice-President "surrender or each." The Brazilian fleet of 14 gun- of the Society, who, after a few remarks upon the objects coats had drawn near the city, virtually blockeding it, of the meeting, read the following preamble and resolu

Some efforts of the Methodist Episcopal Church toward extension are about to be made. Her. Thomas Carter will go this week to open a new work in Rosario. This is an important place, and there is no doubt of good success. Another work has been offered to that society in San Carlos, in the province of Santa Fe, where two clergymen are already employed. In the southern part of this province there is another opening just filled by an ordained minister, and at Experional there was recently, laid the foundation of a new Church.

The, Euglish community here has been much moved by the report of the whipping of an Enc'lish woman by a black slave in the city of Rio Janeiro. It seems such family had taken offense at something done by a son of the lady and they sent a slave to horsewhip him, and the mother on coming upiwas also whipped in the streets. The lady is the widow of a Brazilian diplomatic Minister and is poor. She respectably provided for herself by teaching a tew young ladies. The British authorities intend to examine the matter very thoreals.
